Dear Junior Volunteer Applicant:

Thank you for your interest in the Junior Volunteer Program at Carolinas Medical Center - Lincoln. Joining the dedicated team of volunteers here will be a richly rewarding experience for you. Through volunteering at CMC-Lincoln you will find challenging and enjoyable activities that will be satisfying to you while you perform a valuable service to others.

We enhanced our program this year to better meet the needs and goals of our students and staff. Please review the "Fact Sheet" to ensure that you meet the program criteria prior to applying for the program. Please complete the application and return it to Community Outreach & Marketing by Friday, March 26 in order to be considered for the 2010 program. The program is limited to 20 volunteers per summer. Those in the program last year will be considered first.

Applications will be reviewed, interviews will be scheduled and a letter of acceptance/denial will be mailed in early May. Applications received after the deadline **will not** be considered. Be sure to review each line of the application. The application must be completely filled out and **signed in black ink**. Applications without signatures will not be accepted.

Two reference forms must be completed and returned with the application. One reference must be completed by a teacher (Math/Science/English) or guidance counselor, including overall academic average, and the other reference form should be completed by another **adult (not a relative)**.

REMEMBER, all forms must be **signed and returned by March 26, 2010**. Good luck!

Cordially,

A handwritten signature in cursive script that reads "Caitlin Floyd".

Outreach Coordinator
